# ROADMAP ON THE NEW EUROPEAN BAUHAUS FACILITY

Vera Winthagen, Elisa Grafulla Garrido, Emilie Vandam, Solène Gautron, Sophia Vlieger de Oliveira

JRC.B4 - New European Bauhaus Directorate-General Joint Research Centre, European Commission

## **NEB Facility**: Revitalise European Neighbourhoods with Design for Sustainability and Inclusion

**Objective** (

Objective (2)

Objective (3)

Transforming Places with Communities

Supporting Innovation

**Enabling Change** 

R&I Component:

**Develops novel NEB** solutions

Funding approximately EUR 120 Million/year

Roll-out component:

Implements and scales up **NEB** solutions

Funding mixed sources (EU, private and national funds), ambition: EUR 120 Million/year

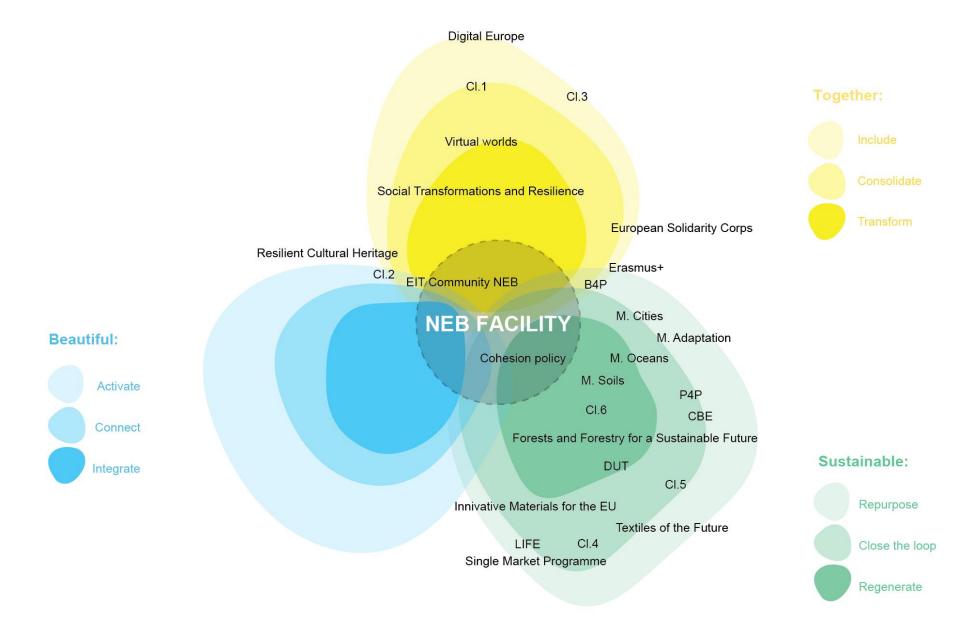

Engagement

Communication

Tools

International Dimension

### **NEB Facility and other EU initiatives and programmes**

#### **NEB Facility: Governance**

European Commission for Political steering

#### Strategic decisions

Advisory Expert Group

#### **R&I** component:

Strategic configuration of Horizon Europe Programme Committee

#### **Roll-out component:**

- Comitology of EU programmes supporting the NEB
- Managing Authorities for shared management

#### **Implementation**

JRC (coordination) + NEB core DGs + ISWG

National Contact Points (NCPs)

#### **Objective 1:** Transforming Places with Communities

R&I

**Roll-out** 

Connect the green transformation with social inclusion and local democracy

by **exploring the drivers** for citizens to lead the green transformation of their neighbourhoods

Foster sustainable living and community empowerment

by **deploying** and **scaling up** NEB solutions for the social and physical transformation of neighbourhoods

#### **R&I towards objective 1**

Transforming Places with Communities: Connect the Green Transformation with Social Inclusion and Local Democracy

- Supporting innovation through the social and cultural impacts of the built environment
- 2. The transformative potential of participatory practices and governance models, and their links with local and cultural specificities
- 3. Ownership and acceptability of change, and the role of arts, culture and cultural heritage in them
- 4. Social connections, sense of belonging and local democracy, including through culture

2025

2026-2027

## Horizon Europe Work Programme 2025

Tentative: pre-publication before the end of April 2025.

Information session on the topics (calls), subject to and after formal adoption.

Horizon Europe Work Programme 2026-2027

Preparation is ongoing

Expected adoption by the end of 2025

#### **Roll-out towards objective 1**

Transforming Places with Communities: Foster Sustainable Living and Community Empowerment

- 1. Implement **beautiful**, **sustainable**, and **affordable housing**
- 2. Deploy **regenerative strategies** for green and public spaces
- 3. Implement stronger mechanisms for **local democracy** and **neighbourhood services**
- 4. Support **culture** and **creation** as languages of **change**

2025

2026-2027

**NEB prizes 2025**: 'NEB Affordable Housing' prizes

**NEB boost** for small municipalities

REGIO Peer2Peer NEB Community

**EIT Community NEB** 

Possible **calls** under Single Market Programme

**NEB prizes 2026&2027** 

**NEB boost** for small municipalities

New NEB calls under ERDF programmes

# (1) Transforming Places with Communities

Mainstreaming of NEB values – All Member States committed to implement the NEB in at least one of their **ERDF** programmes

#### THRIVE - Town Centre First Heritage Revival Scheme, Ireland

Initiative from the Irish Government to embed the values of the NEB in national policy, towards the adaptation of heritage buildings and the revitalization of town centers

EUR 120 Million combining national funds and European Regional Development Fund (ERDF)

#### **Objective 2:** Supporting Innovation

R&I

Circular and regenerative approaches to the built environment

by **rethinking** how we design, build and use our surrounding spaces and **exploring** new technologies and construction methods, materials and products that are more sustainable and circular

**Roll-out** 

Circular and regenerative approaches to the built environment

by **scaling up** a new circular economy of construction

#### **R&I towards objective 2**

Supporting Innovation:
Circular and Regenerative Approaches for the
Built Environment

- 1. Materials and products
- 2. Innovative, sustainable and circular designs and solutions for revitalised neighbourhoods
- 3. Assessing the performance and impact: metrics and evidence

2025

2026-2027

# Horizon Europe Work Programme 2025

Tentative: pre-publication before the end of April 2025.

Information session on the topics (calls), subject to and after formal adoption.

# Horizon Europe Work Programme 2026-2027

Preparation is ongoing

Expected adoption by the end of 2025

#### **Roll-out towards objective 2**

Supporting Innovation:
Circular and Regenerative Approaches for the
Built Environment

- 1. Support a **new construction culture**, testing how off-site processes can foster co-design
- Boost the scale-up and market uptake of innovative construction materials and products
- 3. Deploy **NEB solutions for a circular economy of construction**

2025

2026-2027

**EIT Community NEB** 

**Architectural Sufficiency** and Adaptability

Possible **calls** under the **Single Market Programme** 

Possible EIC **Accelerator Challenge** 

Possible calls under LIFE

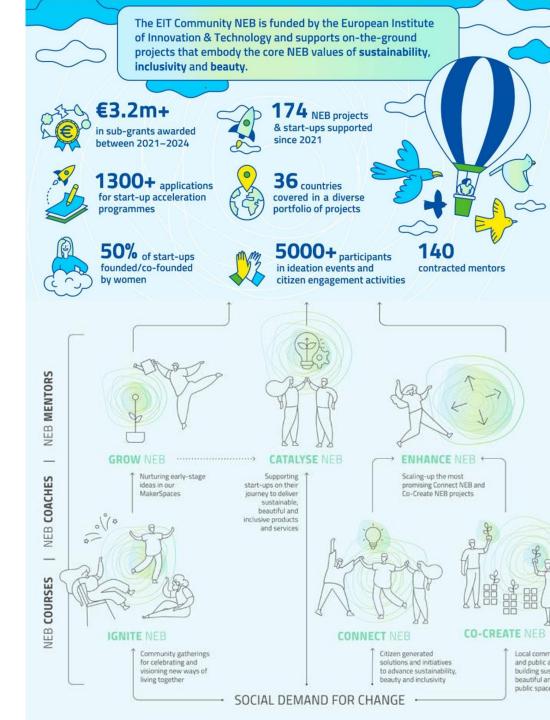

# <sup>2</sup> Supporting Innovation

European Institute of Innovation and Technology (EIT) Community NEB Journey, an Innovation Funnel

**Seven interlinked activities** from ideation to entrepreneurship, citizen engagement, and mentorship support;

Created to turn social, economic and environmental needs into **projects**, **products and services** validated by codesign with communities throughout all the phases of the process;

Actors can enter at any stage in the journey and develop and scale-up their project through it;

### **Objective 3:** Enabling Change

R&I

Innovative funding and new business models for the transformation of neighbourhoods

that demonstrate the economic, financial, social, cultural, and environmental viability and attractiveness of NEB solutions.

#### Roll-out

Skills, models and tools to support NEB change-makers

Supporting the enabling conditions for the deployment of innovative NEB solutions

#### **R&I towards objective 3**

Enabling Change: Innovative funding and new business models for the transformation of neighbourhoods

- **1. New business models** to support the revitalisation of neighbourhoods
- 2. Innovative supply chains and systems for circularity in neighbourhoods
- Neighbourhood ecosystem barriers and drivers for NEB projects
- 4. Innovative funding models

2025

2026-2027

## Horizon Europe Work Programme 2025

Tentative: pre-publication before the end of April 2025.

Information session on the topics (calls), subject to and after formal adoption.

## Horizon Europe Work Programme 2026-2027

Preparation is ongoing

Expected adoption by the end of 2025

#### **Roll-out towards objective 3**

Enabling Change: Skills, Models and Tools to Support NEB Change-Makers

- 1. Boost **skills** for sustainable construction
- 2. Implement **innovative funding** and business **models**
- 3. Implement **digital tools**, including through technical assistance **for local governments**
- 4. Deploy **capacity-building** for NEB solutions

2025

2026-2027

**NEB Academy** 

**ERDF-affordable housing** financial instrument

**ERDF-NEB** financial instrument

**Invest EU - NEB** 

**EUI capacity building** activities

**NEB Academy** 

Possible **calls** under the **Single Market Programme** 

**Innovative Funding Hub** 

Possible **calls** under **Digital Europe** 

# 3 Enabling Change

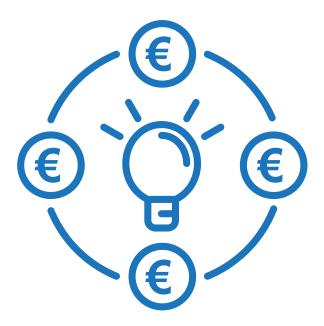

#### **Innovative Funding Advisory Hub**

Pilot Project proposed by the European Parliament
"Stimulating Local and Regional New European Bauhaus
Grassroots Projects"

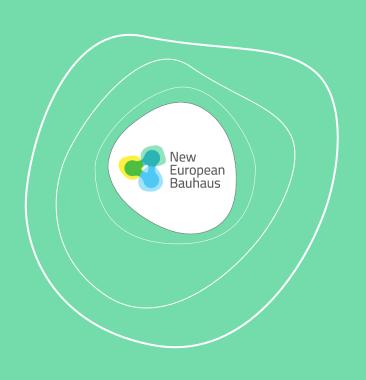

An interactive **IT platform that facilitates funding** to small NEB projects

**NEB projects in the built environment** under 100,000 euros

Matching small NEB projects with alternative forms of fund such as philanthropist, impact financers, crowdfunding, blending models

# Thank you!
