

Le FRENCH DESIGN Speed Dating : professional meetings

LE FRENCH DESIGN organises a wide range of events all through the year aimed at people working in the furnishing and domestic and professional living spaces industries, from designers to interior designers, editors, manufacturers decorators and artisans. The goal of these events is to promote innovation and provide a stage for emerging talents in the world of design.

An unmissable event for :

- Showcasing new talents and skills and uniting the key players in the industry ;
- Meeting and exchanging ideas ;
- Building links between design houses/manufacturers/producers and designers/artisans.

Speed Dating Object Design

Every year, this professional meeting between designers and manufacturers, editors and decorators generates **more than 500 appointments**. This “marathon”, of up to 16 one-on-one meetings, gives designers immediate access to companies and useful contacts and lets professionals meet creative minds and envisage collaborations: product creation, collection management, artistic direction, etc.

This event is in partnership with l’Ameublement Français, Eyes on Talents and Codifab.
