3.2 NEB Prizes

To accelerate the green transition, contribute to the recovery and to ensure a better living together for all, we have to capitalise on the existing wealth of knowledge, experience and capacities as much as to call for new visions, new ideas and new solutions. The Prizes bring together those excellent examples and new ideas that could inspire the New European Bauhaus. The NEB Champions rewards existing completed examples and the NEB Rising Stars rewards concepts or ideas submitted by young talents aged 30 or less.
