NEW EUROPEAN BAUHAUS CONFERENCE

#NewEuropeanBauhaus

Gina Gylver

Gina Gylver (19) is a climate activist from Oslo.

Since the age of 12, she has worked with climate and nature related issues, and she is now a board member in Nature and Youth, the biggest environmental organization for youth in Norway.

As a speaker, artist and political activist, she participates at the UN climate negotiations, organizes political campaigns and demonstrations, educates youth, companies and politicians on climate change, biodiversity and sustainability.
